ABOUT ME

I am 19 years of age, born on July 11th 2006 in Davao City. I am currently taking up BS Information Technology as a second year undergraduate in Ateneo de Davao University.

I am just like any ordinary person, I wake up, take care of myself, do my tasks, and go to sleep. And like any ordinary person, I take appreciation of the world through my hobbies and interests; music, 1:64 diecast models of vehicles, and doing physical activities.

“DESIRE IS TRUTH”

LUCIFER MORNINGSTAR

A quote by the fallen angel in the TV show “Lucifer” best represents me as a person. I know what I truly desire, and knowing that means I reflect my inner reality. I am guided by what I want by my own person, and that displays my living in honesty rather than conforming to what others expect from me.

THANK YOU

My heartfelt gratitude goes to you for taking the time to take a
glimpse of who I am as a person.
